

Quality Policy

We distinguish ourselves with our customers through the exceptional quality of our products and services and our excellent partnership performance. Our focus on quality encompasses all of our processes from ideate to delivery. We continually strengthen our performance through the evolution of systems, standards and tools.

The commitment of every employee to excellence ensures our continued industry leadership, customer loyalty, satisfaction of all interested parties and profitable growth.

This policy outlines the Quality Principles of Clarios, its subsidiaries and its consolidated joint ventures.

Operating Principles

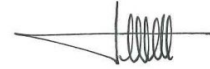

- Quality is a core value critical to the success of our business.
- We embrace a customer-centric culture that is in full support of exceptional quality of our products and services and our partnership performance.
- Compliance with applicable customer and other interested parties requirements, regulations, internal standards and other requirements is the foundation from which we build.
- Quality performance is a direct result of leaders, managers, supervisors and employees taking active ownership and accountability in quality related matters.
